<b>33</b>	<b>CCTV usage.</b>			
	Are CCTV cameras used inpatient areas?	✓		
	If "Yes" please state what guidance is in place relating to use.	✓		

**Additional Comments:**

Generally very well equipped in a very difficult and demanding environment.

Occupational therapist in kitchen, supervising a patient in the making of a Chilli Con Carne – marvellous, (but we did turn down the invite to lunch, because of lack of time).
